SOCCER

When Andover traveled to Belmont to play Angelica for the championship of Allegany County, the Andover team was prepared for the game very well. The first blood was drawn in the second period by Andover with Gary Barden scoring. Andover kept it going with Rick Cahill scoring in the third, Gary Barden scored

again in the fourth.

Not having much time to feel the effects of being a champion, we had to prepare for Belfast on Saturday. The game started with Belfast scoring first. Both teams did not score in the next two periods, but Andover broke the shut-out in the fourth to tie it up on Rick Cahill's goal. Then Andover cleared the ball in the Belfast end and a miss-head by a Belfast payer scored, this proved to be the winning margin.

We then advanced to the semi-finals to face Cohocton. Mark Clark scored first on a fine shot. Gary Barden added one of his own, also in the second quarter. Cohocton kept coming, scoring twice in the third. The final score by Gary Barden in the final quarter.

On Saturday the final game came against Whitesville for the championship of Section V. With a very large crowd on hand the game began. It was a hard fought battle, both sides giving it their all. Whitesville scored first, which is the way the first quarter ended. The Andover team came out with even more fire than in the first quarter. Gary Barden scored the next goal which evened up the score. Andover came right back to score again in

a throw in. Steve Scott made a perfect throw to Gary Barden who headed it in the goal. Tim Mead got the final goal on a half-field shot that had the goalies fooled.

The final two quarters it was a dead-lock with neither team able to score. The game ended with Andover having a perfect season at 16 - 0. This was the first perfect season in soccer in our school's history.

CROSS COUNTRY

This year's team will lose four veterans. Those who have been with the team for four years are: John Davis, Russ Godown, Terry McCormick, and Marty Grossman for three years.

Back in 1972 when we were freshmen, soccer was out of the question, since we were too young to be on the team. So we went out to run Junior High Cross-Country. Other runners on this team were Gary Barden and Dave Burns. So began our Cross-Country lives.

The next year we had to move up to Varsity. The course was twice as long as it was the year before. Other members were: Chris Mattison, Charley Dougherty, Steve Walker. We also talked Marty into going out for the team. This caused us to be on the same teams all the rest of our High School years. This year proved to set our friendships for all times. On a sport like Cross Country the personal ties on the team are very

strong. You learn to help your teammate and grow to respect him.

We seniors depart from Cross-Country with mixed emotions, but knowing we have formed life-long friendships with our teammates.
