We are proud to have the students will be seeing the audience. We are proud to have some of the Andover students participating and helping with the talent show and hope every thing runs smoothly.

Soccer Seniors

by Diane Bliss

Being Allegany County's first place soccer team and the Section Five Championship soccer team is one great accomplishment for our boy's soccer team. It took a great amount of hard work, team effort, spirit and support to take Andover up to the top of the totem pole this year. Although the whole team was necessary to bring Andover this terrific honor, there are twelve team members deserving some special attention because this was their last year playing for A.C.S.

Seven starters for this year's team were seniors. They include: Gary Barden, playing center forward; Dale Russell at goal; Jay MacMichael at the wing position; Rick Cahill on the opposite wing; Steve Scott and Robert Hyland on defense as well as Doug Preston. Other seniors who have played and held together our team are: Rick Rouse, Bob Spencer, Bob Wallace and Terry McCormick. Marty Grossman and Russ Gowdon, the latter three also ran Cross-County this fall.

It's been a fantastic, undefeated season these players will be storing in their memories. Good work and I'm sure you have everyone's congratulations.

Senior Interview

by Marcy Smith

Do you know this senior: she is short, has long blonde hair, and a terrific smile? Yes, you guessed right! Diane Bliss, born September 2 in '58, with three sisters, Judy, Sue, and Nancy; and a brother Mike.

All through high school Diane has been very active in many clubs and sports. She has been in G.A.A., four years, president in her junior year. Red Cross, six years; copy editor for the yearbook; and Hi-Herald for two years, editor in her junior year. Diane is also Student Council secretary; Student Representative to the Allegany County Superintendent's Task Force on Education; a member of the agenda committee for the Principal's Advisory Council; and she was Director of the Christmas Play in eighth grade. Her interest in music has put her in Senior Band, four years; Senior Choir two years; and Junior High All County Band, three years. Diane has participated in sports, being especially active in girls' basketball, softball, and soccer, which she has played for four years along with volleyball for three years. Diane received the Freshman Award; second place Geometry Award; and first place in both American History Awards. She is majoring in Math, Science, and Spanish.

Although Diane has been very busy, she still has time for her own special interests. She likes sports, the out-of-doors, writing poetry, and people. Her future plans include going to college and possibly majoring in English. Diane is also interested in becoming a writer. It looks as if Diane is going to go very far, and we all wish her luck and happiness from A.C.S.

Epidemic Hits!

by Diane Bliss

A serious plague has wildly but selectively spread through the beloved halls of A.C.S. The disease is apparent solely in the Senior class, so far, thus disclosing its selectivity, but its effects are shockingly widespread among the seniors. What is this annual epidemic which is rampaging the Class of '76? It isn't found in any current medical handbook but is most commonly known as Senioritis.

Upon consulting several afflicted seniors, some claimed they are happy to have contracted it while others, more down in the dumps from its effects, claimed it was deterring their progress and ambition immensely. Observing and interviewing a few of the victims, the symptoms were found to be similar yet varied. These range from boredom in study halls, staring longingly out the windows severe jitters in class, unfinished homework, over enthusiasm, under enthusiasm, impish behavior, sudden angelic deeds, rowdiness in Physics class, silence in Humanities, over-involvement, apathy, depression, gaiety, and procrastinating. The similarity involved in all these is the swiftness and suddenness of the attack.

Senioritis is hard to fight and most seniors ask only that others try to understand their dilemma. Hopefully it will subside by June or July. Most believe these things can't last forever. Can they?

New Teacher

by Karen Hall

We have a new Spanish Teacher here at A.C.S. this year. Her name is Miss Sandra Basevin.

Born and raised in Brooklyn, New York City, she went to Sewanhaka High School and attended Albany State College for four years where she majored in English and Spanish. Miss Basevin also spent one semester at Guadalajara, Mexico.

She enjoys teaching here and feels that the student attitude is very good.

Miss Basevin has other Spanish classes in the afternoon at Whitesville where she lives.

Her special interests are sewing and traveling to Spanish speaking countries.

We hope that you enjoy this year with us, good luck, success, and happiness to you always, Miss Basevin.

BUILD-UP

There is real joy in building and a deep satisfaction when the project is completed. As I look at the beauty of our school building I know that there are many in town who know the deep lasting joy of accomplishment. It was not easy but because some persevered Andover now has a building to be proud of for years to come.

In building our lives we surely have to overcome and persevere to become what God planned us to be. We as people seem to be made up of three parts, our minds, our bodies and our spirits. Our government and our towns provide opportunities to build up our minds and our bodies and we all take advantage of those opportunities. We all of us are slow to build up our spiritual understanding. Because there is a part of us that is spirit we have deeper peace the more we learn of God, his plan for us and his love for us.

Isaiah said "Thou dost keep him in perfect peace whose mind is stayed on thee". This I believe is true. Let's make a real effort to build-up our spiritual knowledge. One way is to take time to study how God taught the Israelites about himself and his will in Genesis and Exodus and as Jesus taught of God in John. Try it. God will bless and give you peace.
