

The Mayor's Column

by "Mike" Brace

I would like to take this opportunity to extend a warm Holiday Greeting to all of you. Those individuals who have decorated the exterior of their homes deserve a fine compliment. The homes are beautiful and reflect the hard work that goes into such a project. For those of you who have not had the time, a trip around the Village during the evening is an inspiring event in promoting the Christmas Spirit.

The transformer for the Sub-Station is being prepared for placement on the concrete pad. It is quite a sight and well worth a trip around the Sub-Station to view the progress.
