SOME NEW YEAR THOUGHTS

With another New Year upon us, we stand on the threshold. 1978 affords us brand new opportunities to live victoriously, and to let our light shine brightly for the Lord Jesus Christ.

And, of course, historically the New Year has brought with it, the opportunity to change. It is the time to change things which we should have done long before; and to change ourselves, something.

We should look ahead in this Year with expectation and excitement from the commitments we make with our lives. Resolve today before God to make your best effort to become different; and let God help you every day to make your life fulfilling.

Now, the Apostle Paul in Ephesians 4 Admonishes us as Christians to put off certain things, and to put on certain other things. In other words, what are you carrying into 1978 which has no place being in your life? What should you "put off"?

Paul mentions putting off the former conversation or the former manner of life. Because we have confessed Jesus Christ as our Personal Savior, our life is to be different. You know in God's eyes we are very special people!

The Church of Jesus Christ is special! But at times we do not live a very special life. We fail to live a life which is set apart to serve God and to receive His blessing.

Paul continues on and says the old man is corrupted by his deceitful lusts. Whenever we fall down as a Christian and sin, it is due directly from our old fleshly nature taking over again.

Remember, conversation was never intended by God to ever hurt anyone - so be careful what you say!

If we are really honest with ourselves, each of us has habits, and attitudes, and desires which we should change.
