THE CHRISTIAN WAY OF LOOKING AT THINGS

On the wall of a diner in Red Creek there is this thought-provoking sign: "As you ramble on through life, brother, whatever be your goal, be sure you keep your eye on the doughnut and not on the hole!" This is the Christian way of looking at things.

The power of positive thinking according to Dr. Norman Vincent Peale, the source of this saying will get you everywhere, but negative thinking will get you nowhere except in trouble.

The Christian way of looking at people is to see them in terms of their inner significance. When Samuel was about to choose a new king for Israel, he was warned by the Lord thus: "Do not look on his appearance; for the Lord sees not as man sees; for man looks on the outward appearance but the Lord looks on the heart."

If we are Christian enough, we are to look at people from God's point of view, said St. Paul truly: not from the human point of view.

LEGAL NOTICE

NOTICE IS HEREBY GIVEN, that, on January 23, 1978 Iroquois Telephone Corporation filed with the Public Service Commission certain tariff changes that are designed to produce an additional \$173,345 in increased annual Local Service Revenue. The proposed effective date is February 1, 1978.

In addition, a 5% reduction in Intrastate Toll rates will also take effect on February 1, 1978.

The Local Service increase and Intrastate Toll reduction are a result of the Commission decision in Case No. 27100 and No. 27089 involving the New York Telephone Company. The independent telephone companies of New York State were given the opportunity, in this order, to offset the amount of the overall reduction in intrastate Toll Settlements.

The amount of the increase for Iroquois Telephone Corporation represents a 5.38% in all Local Service Rates, EXCLUDING EXTENSIONS. EXTENSION SERVICE IS EXEMPT FROM THIS INCREASE. The amount of each individual's increase will depend on the current volume of Intrastate Toll calls now made.

Also effective February 1, 1978 a discounted toll plan for residence and Centrex Dormitory customers is introduced. This plan is called DIAL-A-VISIT. DIAL-A-VISIT is an optional service. It permits customers to receive a discount of up to 50% on DDD Sent-Paid intrastate toll calls placed during certain hours. A \$6.00 minimum charge will apply each month.

The following examples will show how DIAL-A VISIT discounts apply.

Table with 4 columns: Total Charges for Qualified Toll Calls, 50% Discount, Total Billable Charges. Rows A, B, C, D.

Intrastate DDD Sent-Paid toll calls placed within the following time periods are included in the plan:

- Monday through Friday 5:00 P.M. to 8:00* A.M. the following day
Saturday, Sunday and on the five toll holidays 8:00 A.M. to 8:00* A.M. the following day
*Up to but not including

Toll calls placed at any other time (8:00 A.M. to 5:00 P.M. weekdays) are billed standard toll rates.

All intrastate DDD calls made during the DIAL-A-VISIT hours are included in the plan.

Where a customer has more than one line billed on the same bill, usage on all lines is included in the one plan.

No service connection charges apply to DIAL-A-VISIT.

A one month minimum charge applies.

Copies of the proposed local service rates are available for public inspection at the Business offices listed below, our Division Headquarters at 14 Classic Street, Sherburne, New York, or at the offices of the Public Service Commission, Albany, New York.

Any questions about this new proposal may be directed at your nearest business office.
