"JUST A THOUGHT"

Many times God can redirect our lives through the new understanding of some words from a hymn which we have sung before so often, or from the lines of a poem which also speaks to our heart.

My thought for you this week is found in a poem, which was given to me by a girl who was a freshman in Bible College. I trust God speaks to your heart as you read this poem entitled "Today."

"This is the day that the Lord hath made," it is the Lord's gift! But for His goodness and mercy I should not have seen today. His goodness is new upon me each morning.

But why should God give me today? He has given me so many. Rarely have I given one back to Him. He gave me today that I might honor and serve Him better than on any day I hitherto accepted from His hand.

YOU — You are God's opportunity in your day! He has waited for ages for a person just like you! If you refuse Him, then God loses His opportunity which He sought through you; and He will never have another, for there will never be another person in the earth just like YOU.
