DIAL A VISIT.

Now, for just \$6 a month, you can make \$12 worth of long distance calls anywhere in New York State.

We're now offering you a new way to save money on the long distance calls you dial to points within New York State. It's called Dial-A-Visit. The new service is a half-price long distance option available to residence customers, including college students who live in dormitories with phones in their rooms.

Here's how it works: A \$6 minimum charge is added to your monthly bill. It entitles you to make \$12 worth of long distance calls within New York State — on weekdays from 5 p. m. to 8 p. m., and on weekends from 5 p. m. Friday to 8 a. m. Monday. You must dial these calls direct without operator assistance.

If you should make less than \$6 worth of calls in the time periods mentioned, you're still charged \$6. But if you make between \$6 and \$12 worth (say \$8 worth), the \$6 charge goes no higher. If you make over \$12 worth, you're charged only 50% of what the calls would normally cost. (So \$18 worth of calls would cost only \$9!)

Interested? Contact your local telephone company business office and tell us you want to sign up for Dial-A-Visit.
