Hi Herald Continued

On September 26, interested Seniors and Mr. Hanks will be visiting Alfred Ag-Tech in order to gain a firm understanding of the variety of programs available.

PSAT

Many of Andover's 11th grade students will be involved with the PSAT (Preliminary Scholastic Aptitude Tests) on October 28, 1978. The purpose of the PSAT is to see how you stand among all the other 11th graders in the country and also to estimate your chances of getting into and succeeding at the college of your choice. By participating in the PSAT, students enter the competition for scholarships awarded through the National Merit Scholarship Programs.

CAREER MOTIVATION PROGRAM

All 9th graders will participate in CMP (Career Motivation Process) starting in November. In CMP will involve groups of 8-10 students sitting down with Mr. Hanks for the purpose of clarifying one's strengths, abilities, weakness and personal values as they relate to future careers.

CAREER RESOURCES ARE COMING

Students in grades 7 - 12 should keep an eye out for new Career Resources which should be arriving any day. Over \$400 worth of materials have been secured thru a Title IV Grant and these new resources will be available to all students in order to assist in the career decision making process.

Scoop From Mr. B.

Mr. Barden wishes to thank all the students for their cooperation and great effort and hope they keep up the good job the whole year

Soccer News

The boys soccer team opened the '78 season with a disappointing loss to Friendship Pat Atwell opened up the scoring at 12:30 of the second period on a penalty kick. Friendship then struck back to tie it at 161 at the end of the first half. Friendship then scored 2 quick goals to take a 361 lead. Before Chris McNeill put it by the Friendship netmender at 18:45 in the fourth period. Friendship out-shot Andover. The final score was Friendship 3, Andover 2.

Boys Soccer

Well here we go again. Another year of soccer, another year of Andover feeling the enjoyment of victory.

This year the Andover soccer team has new uniforms for home games and new soccer nets and new socks. This was bought from the money that the citizens of Andover contributed to the soccer players when they bought candles

Andover's Coach Coon would like to give special thanks to all the people who bought candles because without you we would still have old uniforms.

Our away uniforms are 17 years old. The team would like new ones this year so they can look as sharp at away games as they do at home games.

Our society has a fine bunch of guys on our soccer team this year, but we also have a fine bunch of guys hanging around Town all day. These people should get off the streets and into the field says our Coach and he urges them to do so

It is required by the New York State Public High School Athletic Association that the boys have new uniforms for home and away games.

Mr. B's. Newest News

Mr. Barden, our new Assistant Principal, who recently took over for Mr. Russell, has reported that things are going smoothly this year

Mr. Coon has discovered that in 15 years of teaching the boys in Mrs. Peterson's and Mr. Gill's room, were able to do a legal and presidential "sit-up", and these boys also knew the history and positions of soccer.

Mr. Ringer, 7th Grade Shop Classes are doing a very interesting and unique experiment in the development of transportation. He says that the rest of his classes are basic shop courses, but each class will do a unique experiment during the year

Mr. Barden says that this shows that we have a strong Physical Ed Dept., and a good Shop structure. He would like to tell the students that this first week of school has been excellent

Please take notice of the details.

This year we have a new teacher in the Shop Department. He is taking Mr. Barden's place, who is now our Assistant Principal. His name is Mr. Ringer and he presently lives in Stannards with his

wife, Kathy, whom he married last year.

He attended Oswego State for three years and Buffalo State for one year. Mr. Ringer is from Buffalo and he thinks there are many advantages in teaching in a smaller school.

Besides teaching, Mr. Ringer likes to hunt, fish, run, and build furniture. He is looking forward to this new year and we wish him a very warm welcome.

Girls Soccer

The Andover girls soccer team had their first League game against Alfred-Almond, Friday September 13.

The final score was 3-1. At half-time the score was 1 - 0, A-A had the lead. During the second half A-A scored again. Then it was Andover's turn. Tracy Grossman scored on a penalty shot. Andover did their best to tie the score but in the last minute of the game A-A scored.

Miss Troxell, the Coach of the girls team said: "It was a very hard physical game for us. We played very well, we never quit and we are anxiously waiting for their return."

The girls next League game will be Tuesday, September 19 with Richburg at Andover. Good Luck Girls!
