

The Clergy Corner

Rev. Francis J. Zmoczynski
Blessed Sacrament in Andover,
St. John Of The Cross, Whitesville
**THANK YOU, THANK YOU,
THANK YOU**

The Bible constantly urges us to always and everywhere show our gratitude to God and people. Over and over again we read Christ saying thanks and St. Paul time and time again is encouraging us to use positive signs of true Christian charity in all our dealings with one another and with God.

Let us encourage all our young people to say thanks. And let us adults, male and female, no matter what our ages, also use this expression in our daily lives. At home, at work, at school, in the churches, and the community let us hear that joyful sound of "THANK YOU".

And so that we all may remember — giving thanks is not just for the little kids, but for all who are young of heart and under 100 — for when you pass 100, then you can make your own rules; till then, let us heed the teachings of the Sacred Book and follow the examples of this Holy Writ.

Gratitude is a sign of a real mature Christian an expression of positive love, respect (self-respect and that of others), appreciation, honesty, humility, equality and yes! of justice, too!

If we humans would only learn to say thanks to one another more often, then we would show God our thanks too in many different ways. And our part of God's world would indeed be a more happy, joyous, cooperative community.

There is much to be thankful for — our jobs, our farms, the harvest of our families, and children, our teachers, and clergymen, our health — the greatest of all possessions — and even our crosses and difficulties, for from them we can learn and gain a great deal of patience, perseverance, fortitude, determination, and cooperation and a new spirit of prayerfulness — yes we can teach ourselves with the aid of God to be positive even in the face of problems and difficulties.

"Lord, we thank you for the harvest the earth has produced for the good of man. These gifts witness to your infinite love. May the seeds of charity and justice also bear fruit in our hearts and in our daily living and dealings with one another. Amen."

Thank You, Lord, Thank you, people. Thank you, Thank you Thank you.
God bless us one and all!
