HI-HERALD

Mr. Barden's News

Tuesday, October 10, 1978, the Andover Central School Board passed a resolution stating that "No band, rock group, or disco presentation can play at more than 100 decibel level. This level will be determined by the school measurement. This is not a random level. The medical authorities in this country say electronic music constitutes loss of hearing. All bands will be notified of this level before signing a contract.

Mr. Barden also had this to comment. In the past we have experienced discipline problems between Wellsville and Andover students dances. The problem has been solved, there will be no admittance of Andover students to Wellsville Dances and no admittance of Wellsville students at any Andover Dance.

Mr. Barden wishes to inform the public that during the summer months, about 200 desks were re-varnished in the school. Also the bathrooms were repainted in different colors. So far these things have remained in good condition thanks to the students and we hope it will go on this way. He also wishes that the people know how well the sports teams are going this year and hopes that the spectators we are getting now will also attend the coming basketball games. We have given our school and sports a lot of support and encouragement, so please keep it up.

There was also a rule made at the beginning of the school year that the students do not loiter in front of the school building. This also has been going well and he hopes it continues.

The attendance this year has been very good and we are glad to see all the students are getting closer together. To finish out the year we need your support and caring, as well as the students themselves.

Girls Soccer

The girls defeated Whitesville 5 to 1, on Tuesday.

Tracy Grossman led the scoring with 3 goals, Lisa Howland and Deanna Sturdevant both added one.

Defensively Tracy Richardson, Linda Howland, Lisa Howland, Marcy Mead, and Kelly Dunham did well to stop the Whitesville players.

The league record stands at 9-1.

Cross Country

Saturday the Cross Country team traveled to Alfred-Almond Invitational. Two of our runners won ribbons in a field of over 250 runners. Jamie McCormick finished 3th, with a time of 17:25. Rob Davis also won a ribbon finishing 50th, with a time of 17:49. Mike McNeill was 68th with a time of 18:30. Two runners competed in the JV race. Donny Lehman finished 57th with a 17:42 finish time. Chris McNeill came in 135th with a time of 18:15. There were over 215 runners for the JV race.

Andover's star Cross Country runner Jim Dugan was unable to suit for this important meet and was placed on waivers.

Girls JV Soccer

This year Mrs. Knapp's JV Soccer team is doing 100% better than last year. They are now scoring and even winning. This week was a busy one for the team. On Tuesday they played Alfred-Almond and lost 3 - 1. Wednesday they played Jasper and won 1 - 0. On Thursday they played Belmont and lost again, 3 - 1.

Berneta Wilson is their goalie who had saved 62 saves. Beverly Leonard, Chris Howland and Connie Spencer were the scorers of the week.

Keep up the good work girls.

Boys Soccer

Andover lost to Whitesville in a 1 - 0 game. Better luck next game. Andover came back and beat Richburg, 4 - 0. Goals were made by Mike McNeill, Jason Kerkelager, and penalty kicks were made by Guy Milligan. Assists in the game were made by Pat Atwell and Guy Milligan.

Good luck in your next game Wednesday, October 18 at Belmont. Let's all put up a good fight.

Senior Class

The Senior Class of Andover Central School has voted to go on their Senior Trip if they can raise the money.

The Seniors will be selling magazine subscriptions in a couple of weeks. We think that the community should support the Seniors. The community can be proud to send this year's seniors on their trip.

The magazines will go on sale in a couple of weeks — so watch for them!
