Alfred Rod & Gun Club To Sponsor Ham and Turkey Day Nov. 19

The Alfred Rod and Gun Club will sponsor its Annual Ham and Turkey Day at the Club House by Five Corners on Route 244, on Sunday, November 19, 1978.

This activity has enabled the Club to send two students to the New York State Conservation Camp at Rushford Lake each year for the past ten years.

The Club has also sponsored two teachers annually who wish to attend the Wildlife and Conservation workshops conducted by the Department of Environmental Conservation.

Academic Scholarship for local high school students and support of the Club's Hunter Safety Instruction Programs and participation in the County Conservation Federation's activities all stem from this single annual program.

The day's activities will include slug and trap shooting, as well as lucky shoots throughout the day.

The drawings for ten prizes as well as several valuable mystery prizes will take place at 7:00 p.m. that evening. First prize will be a new Winchester 22 rifle or \$100.00 cash.

The Annual Ham and Turkey Day Program gives area hunters an opportunity to tune up their favorite shot gun for the opening of deer season the following day.

Refreshments will be available on the grounds throughout the day.
